# Areas of Focus

**PennState**  
Smeal College of Business

# 2023-2024 Areas of Focus

- Secure direct admission to Smeal
- Roll out DBA and prepare for launch of Supply Chain Master's in fall 2024
- Design a hybrid resident/remote two-year MBA to leverage one-year curriculum
- Build second and third remote learning studios
- Secure endowment funding: Centers for Diversity and the Business of Sustainability
- Create detailed production- and cost-models for Smeal programs and activities

## 2024-2025 Areas of Focus

- Continue to learn about Smeal and Penn State and build relationships
- Launch and complete a five-year strategic planning process
- Establish fundraising campaign priorities and build the case for support
- Secure financial commitments and prepare for launch of hybrid MBA and Masters of Accounting Analytics
- Clarify and potentially modify elements of PSU budget model for Smeal
